Dear Examiner Labaze,

Thank you for your e-mail of 1 October 2006.

You are authorized to correct the dependencies of claims 31 and 32 with an Examiner's amendment. These claims should be dependent on claim 25.

It was my intention to amend claims 1 and 25 to recite "...and dissociate..." as previously allowed. Again, you are authorized to correct these claims with an Examiner's amendment. An email authorization is enclosed.

Yours sincerely,
